

# **GOD IN CREATION**

**WHAT YOU BELIEVE ABOUT THE BEGINNING MATTERS**

10-Week Video Small Group Curriculum by Pastor Bill Young

# DEAR GOD IN CREATION SMALL GROUP LEADERS!

Thank you so much for helping to teach this class. This letter will serve as an overview and a resource of everything you will need in order to successfully lead this class/Small Group. Just let me know if you have any questions. Keep in mind, you will mainly act as a facilitator since the curriculum, videos and all the materials are already done for you. Good grace to you!

Here is what you can say to introduce your group to this God In Creation Small Group Curriculum:

“The Goal of this series is to strengthen your faith and give you the tools you will need to defend the Biblical account of creation! The Bible tells us in Hebrews 11:3 “By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible” (NIV) This series will help you to trust in Jesus Christ more and give you much needed confidence in your faith. Think about it, if the beginning of the Bible isn’t true, maybe the rest isn’t! Satan knows that by denying God’s expressed miraculous account of creation it’s easier to deny his plan of salvation and then the truth of the whole Bible. Join us for this relevant, life-changing journey as we discover ‘God in Creation!’”

We will provide you with all of the materials! Simply go to [www.experiencetherock.com/godincreation](http://www.experiencetherock.com/godincreation). All documents listed below can found under the “Extras” link under the video for the specific session:

## **GOD IN CREATION SMALL GROUP VIDEOS:**

All 10 of these videos are on The Rock Church Website. Most of the videos are between 30 & 35 minutes. They have been taken from my 2014 God In Creation series I taught at The Rock Church. You can find the videos and resources at [www.experiencetherock.com/godincreation](http://www.experiencetherock.com/godincreation)

## **BLANKS:**

A 2-page (front and back) set of “Blanks” that you can print off and have ready to hand out to each person attending your group. These “fill-in-the-blanks” will be useful as people watch the videos and take notes.

## **LEADER’S GUIDES:**

I have created a one-page Leader’s Guide for each session. This is designed to help you prepare for and focus on your weekly topic. Each Leader’s Guide has an Overview of this week’s session, Suggested Format for a 90 minute meeting, Weekly Reminders, Specific Session Tips, and Possible Discussion Questions. I think you will find this helpful.

## **BONUS MATERIALS:**

These files include things like Treat & Roster Sign Up Sheet, and other important documents to help you be successful. I have made note of these Bonus Materials inside each session’s Leader’s Guide. You will find links to ALL these documents in Vimeo under the “Extras” tab for each session (see screen shot below). You will find several PDF documents that will get you started on the God In Creation Small Group curriculum. These include (more will be added):

- God in Creation Table of Contents
- God in Creation Title Page
- God In Creation Treat & Roster Sign Up Sheet
- God in Creation Small group Lesson Descriptions
- God in Creation Small group Leaders Guide
- God in Creation Small group Blanks

God bless you as you lead out on this adventure. Please let me know if you have any questions.

Enjoy the journey!
