

# THE GARDEN OF EDEN

## part 2: "Ten Facts About The Garden of Eden"

### Leader's Guide

#### Overview

It says in Genesis 2:8 "Now the LORD God had planted a garden in the east, in Eden; and there he put the man he had formed." Is this true? Was the earth different before the flood? Is their proof? YES! Just imagine the earth as a Garden of Eden with a perfect environment... paradise! In this message we will tackle the following questions: Did people live to be 900 years old? What was the earth like at the beginning? Were there Giants on the earth? Did Dinosaurs live with man? I think you'll be amazed as we discover the hallmarks of a "Master Designer".

#### Specific Session Tips

- As an ice breaker, maybe ask each person to "If you HAD to compete in one Olympic event, which would it be? Why?" (Note: This will lead into a discussion about what life was like in The Garden of Eden)
- This is another fun session that will really create a lot of discussion. Keep in mind, the "Canopy Theory" is simply that – a theory. But the evidence is very interesting – especially considering a "pre-flood" world!
- Just a reminder – Do not to answer every question yourself. Your job is to draw people out.
- Possibly do some extra research using Ken Hamm's Answers In Genesis, <https://answersingenesis.org/>

#### Suggested Format (90 minute meeting)

- **15 minutes – Greet & Treat.** Welcome people and encourage them to mingle before the meeting.
- **35 minutes – Intro & Video.** Introduce the topic, hand out blanks and then show the video.
- **35 minutes – Discussion.** Lead the group through an honest discussion using questions below.
- **5 minutes – Prayer.** At the end of your time, ask for prayer requests, and have several people pray.

#### Weekly Reminders

- Pray! Before each meeting, pray for each person by name and ask God to speak to their hearts!
- At the end of the meeting, remind people of who is on for treats the next week & what your topic will be.
- Pray at the end. Make sure to end ON TIME (You can always tell people they are welcome to stay – but give those who need to leave the option to make an exit as soon as the class time expires).
