

THE DANGERS OF EVOLUTION

part 1: "Science And The Big Bang"

Genesis 1:1 (NIV84) "In the beginning God created the heavens and the earth."

Starting Points: It Matters Where You Begin!

- A. We all have the same _____. Your worldview affects your conclusions.

- B. Can your worldview / philosophy answer these _____ questions?
1. **Who** am I (and what am I worth?)
 2. **Where** did I come from?
 3. **Why** am I here?
 4. **Where** am I going when I die?

Proverbs 18:17 (NIV84) "The first to present his case seems right, till another comes forward and questions him."

What The Bible Says ... There are only TWO possibilities:

Genesis 1:26-27 (NIV84) "So God created man in his own image, in the image of God he created him; male and female he created them." NIV

1. The world created _____. **OR**
2. Someone created the world.

Is Evolution Dangerous? Five Questions We Need To Answer:

I. WHAT MAKES GOOD AND BAD _____?

A. **Science:** "Knowledge derived from observation, study & testing of _____." (*Webster's Dictionary*)

B. Science is _____ ... sometimes.

Proverbs 18:17 (NIV84) "The first to present his case seems right, till another comes forward and questions him." NIV

II. IS THE BIG BANG THEORY _____?

A. The "Big Bang" theory _____.

B. You have two _____:

1. In the beginning ... _____.

2. In the beginning ... _____.

C. _____ questions to ask evolutionists:

1. Where did the _____ come from?

2. Where did the _____ come from?

3. Where did the _____ come from?

2 Peter 3:5 (NIV84) "But they deliberately forget that long ago by God's word the heavens existed and the earth was formed out of water and by water."

D. Maybe there was a " _____ " **big bang**? God spoke and ...
