

RESOURCES

Websites: The following internet sites provide information from a biblical perspective in a wide variety of areas.

Answers in Genesis (AiG): www.answersingenesis.org
Institute for Creation Research: www.icr.org
Creation Ministries International: <https://creation.com/>

Books: All of the materials listed here were authored from a biblical worldview. They do, however, represent a range of theories within that worldview.

Coming to Grips with Genesis, Mortenson/Ury, eds.
Grand Canyon, a Different View, Vail
Grand Canyon, Monument to Catastrophe, S. Austin
Earth's Catastrophic Past: Geology, Creation and the Flood, 2 Vols., A. Snelling
Evolution Exposed: Earth Science/Biology, Patterson
Footprints in the Ash, J. Morris, S. Austin
Four Views on the Historical Adam, Barrett/Caneday, eds.
Grappling with the Chronology of the Genesis Flood, Boyd/Snelling, eds.
The Battle for the Beginning, MacArthur
The Genesis Flood, Whitcomb/H. Morris
The Genesis Record, H. Morris
The Geology Book, J. Morris
The Great Turning Point, Mortenson
The Lie: Evolution & Millions of Years, Ham
The New Answers Book (1, 2, 3 & 4), Ham ed.
The New Creationism: Building Scientific Theories on a Biblical Foundation, Garner.
The Young Earth, J. Morris
Thousands...Not Billions, D. DeYoung
Your Guide to the Grand Canyon, a Different Perspective, Vail/Oard/Hergenrather/Bokovoy

Videos: These videos may be ordered from the AiG website.

Grand Canyon, Testimony to the Biblical Account of Earth's History, A. Snelling
Mount St. Helens: Explosive Evidence for Catastrophe, S. Austin
Rock Strata, Fossils, and the Flood, A. Snelling
The Grand Canyon: Monument to the Flood, S. Austin
The Flood, the Big Picture of its Mechanism and Resulting Evidence, A. Snelling
Millions of Years: Where Did the Idea Come from?, T. Mortenson
