FAITHCAMP 2018

Friday, July 27 at 4 p.m. thru
Tuesday, July 31 at 9 a.m.

[Camp Cedaredge](#) is in [Cedaredge, CO](#), which is about 40 miles southeast of Grand Junction.

Faithcamp will be a combination of Faithwalkers and our summer high school conference (DTC). We are planning a time of meaningful worship, powerful teachings (Identity in Christ), and organized activities. We get the whole camp to ourselves, which will create a great environment for hanging out, making new friends, and enjoying old friends.

With camping, it is easy to look forward to the memories and experiences that will leave lifelong impressions. However, what would be even more exciting, is that people would come to Faithcamp and experience a life-altering understanding of the depths of God's love—that He has obliterated our sins, welcomed us into His family with a huge smile, and there we rest secure in His embrace. That is a goal we can come together and pray for!

HOUSING OPTIONS

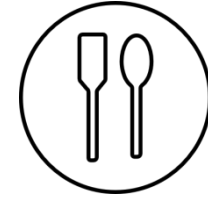

Housing is going to be at a premium. Not everyone will be able to have typical housing. In addition to the dorms, we will also need to have people in RVs, tents, and possibly offsite hotels/campgrounds. There will be a discount for those offsite, but of course they will still have to pay for their offsite housing, and call to make their own reservations.

Onsite:

- Dorms (Each church has been allocated a few dorm rooms. Each dorm room sleeps 10. Your local conference coordinator will help fill these dorms.)
- RVs (water and electric on site) (A limited number of spots are reserved for each church. Check with your conference coordinator if you plan to bring an RV.)
- Tenting (There is a shower house.)
- Special needs: We do have a very limited number of other options for those with special needs.
