Verse 1:

I thought I knew Him, but that was just the start
I thought I knew what He wanted, He was after my heart
Thought I could make my own way, by my own strength
But when He called my name everything changed

Chorus:

I've been saved by grace
I'm set free by the power of His name
Not by what I've done, but what's been done for me
I've been saved by
Saved by grace

Verse 2:

I saw the cross as just an ugly space
I saw the blood, not that He took my place
I thought forgiveness was something I could earn
Then He called my name everything changed

Bridge:

I felt so dirty, lonely, broken and ashamed
I felt unworthy, worthless, empty and afraid
But I met Jesus, my Savior, and He washed it all away
When He called my name
Yeah, He called my name
